

Save Your Love (Classical Mix)

Bad Boys Blue

It started one night in Milano
A candle-light dinner, Italian style
We danced - she whispered "Ti amo"
A morning came, and we had to say:
 Good-bye - so hold me once more
Good bye - and kiss me one more time
 Just one more timeSave your love
 Until I will return
 Let the flames of fire burn
 In your heart forever
 Save your love
 Don't give it someone new
 Everything is up to you
Till I'm back foreverShe gave me one night of devotion
 A fire of love was burning inside
 I couldn't escape my emotions
 And I nearly died when we had to say:
 Good-bye - I want you to stay
 Good-bye - so please, come back one day
 Come back some daySave your love
 Until I will return
 Let the flames of fire burn
 In your heart forever
 Save your love
 Don't give it someone new
 Everything is up to you
 Till I'm back forever
