

# Hollywood Waltz

## Eagles

Springtime, and the acacias are blooming  
Southern California will see one more day  
Dreamland, and business is booming  
The birds are a singing as I drift away  
She looks another year older  
From too many lovers who used her and ran  
But some nights, oh, she looks like an angel  
And she's always willing to hold you again  
So give her this dance  
She can't be forsaken  
Learn how to love her  
With all of her faults  
She gave more than she's taken  
And I'll go down doing the Hollywood Waltz  
Springtime and the lady is grieving  
The lovers just stand there with nothing to say  
They got what they wanted, they're packing and leaving  
To look for another to love the same way  
So give her this dance  
She can't be forsaken  
Learn how to love her  
With all of her faults  
She gave more than she's taken  
And I'll go down doing the Hollywood Waltz  
The Hollywood Waltz  
The Hollywood Waltz  
The Hollywood Waltz  
The Hollywood Waltz
