

Sweet Round Ass

[Brad Nailer](#)

I was sorely tempted
To touch your sweet round ass
While you were standing beside me
In the checkout line
You look like youâ€™ve been working out now
For a long long time
And I am so here to tell you
Youâ€™re looking fine

Sweet round ass
Sweet round ass
Damn I love your sweet round ass
A more perfect pair of buns Iâ€™ve never seen
Sweet round ass
Sweet round ass
Damn I love that sweet round ass
I know I will see it later in my dreams

I was sorely tempted
But I donâ€™t want to go to jail
So I just stood there fantasizing
Till the moment passed
Your husband or boyfriend
Better treat you like a queen
Or they donâ€™t deserve to touch
Your sweet round ass

Sweet round ass
Sweet round ass
Fuck I love your sweet round ass
A more perfect pair of buns
Iâ€™ve never seen
Sweet round ass
Sweet round ass
Damn I love your sweet round ass
I know I will see it later
In my dreams
