Enta Eih

Nancy Ajram

Enta Eih?Enta eih mesh kfaya aalaik
[what are you (how cruel are you) Is it not enough]
Tegrahni haram aalaik enta eeih
[That you hurt me? Have pity. How cruel are you?]
Enta laih dimooai habeebi tehoun aalaik
[Why my love, is it so easy for you to bring me to tears]
Tab w laih ana radya enak tegrahni w roohi feek
[And why do I accept that you hurt me when my soul is part of you]
Tab w laih yaani eih radya beaazabi bain edaik
[And why am I accepting this torment at your hands?]
(x2)Law kan da hob ya waili mino
[If this is love, my misery is from it]
W law kan da zanbi matoub aano
[And if I am to blame, I cannot say never again]
Law kan naseebi aaeesh fey gerah
[And if it is my lot to live in torment]
Hayaeesh fey gerah
[I shall live in torment]
(x2)Mesh haram mesh haram enak tekhdaani fey hobi leek
[Have you no pity? Have you no shame that you cheat me knowing the love I have for you]
Mesh haram elgharam wel seneen hayati w 3ashi eleek
[Is it not a shame, the passion and the years and longing that I am living for you?]
Daa awam wala kan leaaba fey hayatak yetdaweek
[Was the love lost completely? Or has it been a game]
Daa awam el hanan w hodni albi w amali feek
[Was the love and tenderness and my heart and faith in you all lost?]
(x2)Law kan da hob ya waili mino
[If this is love, my misery is from it]
W law kan da zanbi matoub aano
[And if I am to blame, I cannot say never again]
Law kan naseebi aaeesh fey gerah
[And if it is my lot to live in torment]
Hayaeesh fey gerah
[I shall live in torment]
(x5)
