

# Promise Me (Alternate Version)

## Kill Hannah

I realize now I can't get you back  
I pushed you too far away  
You're too strong to be led onAnd now I know the face  
That will haunt me forever  
Oh, what have I done?  
Oh, what have I done?Just please, please, promise me  
Somewhere dark and deep in your heart  
You'll keep a tiny place for me  
Where no one new can reachJust promise me  
Somewhere dark and deep in your heart  
You'll keep a tiny place for me  
Where no one else can reach
