Free

Donavon Frankenreiter

We could let this love be the fadin' sky
And we could drift all night until the new sun rise
Pass me a drink or make that two
With one for me and one for youAnd we'll be free
Free, free, freeHere comes corner winds and the changin' tide
We better drop them sails and get inside
When will the weather ever let us go
I guess we'll have to wait until the trade winds blowAnd we'll be free
Free, free, freeThere's nothing in between what we are, what we see
There's nothing in between what we are, what we see
What we are, we are justOn a life boat sailin' home
With our drunken hearts and our tired bones
Well, I just take one last look around
Yeah, and every place feels like a familiar townAnd now we're free, free
And don't you wanna be free
From time to time a little freeHey now, now free
I know you know you're free
Feels so good to be free, free
