## Donavon Frankenreiter

We could let this love be the fadin' sky  
And we could drift all night until the new sun rise  
Pass me a drink or make that two  
With one for me and one for you And we'll be free  
Free, free, free Here comes corner winds and the changin' tide  
We better drop them sails and get inside  
When will the weather ever let us go  
I guess we'll have to wait until the trade winds blow And we'll be free  
Free, free, free There's nothing in between what we are, what we see  
There's nothing in between what we are, what we see  
What we are, we are just On a life boat sailin' home  
With our drunken hearts and our tired bones  
Well, I just take one last look around  
Yeah, and every place feels like a familiar town And now we're free, free  
And don't you wanna be free  
From time to time a little free Hey now, now free  
I know you know you're free  
Feels so good to be free, free
