Take My Heart

Triumph

Take my heart
I lay it out before you in my song
I play my part
And hope against all hope
You play along
Take my heart
Take this magic from my mind
Take my heart
Take the dreams you always
Hoped to find
CHORUS:
Take my song, take my heart
Give my dreams a chance to start
Take my song, take my heart
Take my love
I wear a song to mask my awkward face
The music helps to fill the empty space
I wish that I could hide it all away
Instead it shows in every note I play
And I play
And I play
CHORUS
