

A Hundred Pounds Of Clay

[Craig Douglas](#)

He took a hundred pounds of clay
And then He said "hey, listen
I'm gonna fix this world today
Because I know what's missin'•
Then He rolled his big sleeves up
And a brand-new world began
He created a woman and a-lots of loving for a man
Whoa-oh-oh, yes he did

With just a hundred pounds of clay
He made my life worth livin'
And I will thank Him every day
For every kiss you're givin'
And I thank Him every night
For the arms that are holdin' me tight
And He did it all with just a hundred pounds of clay
Oh-oh-oh, yes he did

Now can'tcha just see Him walkin' a-round and round
Pickin' the clay up off of the ground?
Doin' just what He should do
To make a livin' dream like you
He rolled His big sleeves up
And a brand-new world began
He created a woman and a-lots of lovin' for a man
Whoa-oh-oh, yes he did

With just a hundred pounds of clay

People, let me tell ya what He did
With just a hundred pounds of clay
People, let me tell ya what He did
With just a hundred pounds of clay
People, let me tell ya what He did
With just a hundred pounds of clay
