# Hot Damn Woman

## Danko Jones

I wanna ride with you honey/ I wanna roll around the kitchen floor/ I wanna fight with you honey/ So we can make up and make love some more/ You gotta little bit of soul in your step/ You're the best kisser I ever met/ You never ever do what you should/ Baby how did you get to be so good?Hot hot hot hot...Hot Damn you're the woman for this man

Hot hot hot hot...Hot Damn you're the woman for this man

Hot hot hot hot...Hot Damn you're the woman for this man

Hot hot hot hot...Hot Damn you're the woman Baby!I'm never shy around you honey/ We do everything and a little bit more/ I've got it bad for you honey/ I think you know this but you want me to show it/ You got a little bit of bite in your bark/ You're always leaving a trail of broken hearts/ I'm around you but my body keeps shaking/ You can wear the pants if I bring home the baconHot hot hot hot...Hot Damn you're the woman for this man

Hot hot hot hot...Hot Damn you're the woman for this man

Hot hot hot hot...Hot Damn you're the woman for this man

Hot hot hot hot...Hot Damn you're the woman for this manWe look so good together/ It don't get much better/ I can't believe I'm by your side/ You make me wanna....

We look so good together/ It don't get much better/ I can't believe I'm by your side/ Wherever you are I'm comingI wanna ride with you honey/ I wanna roll around the kitchen floor/ I wanna fight with you honey/ So we can make up and make love some more/ You gotta little bit of soul in your step/ You're the best kisser I ever met/ You never ever do what you should/ Baby how did you get to be so good?Hot hot hot hot...Hot Damn you're the woman for this man

Hot hot hot hot...Hot Damn you're the woman for this man

Hot hot hot hot...Hot Damn you're the woman for this man

Hot hot hot hot...Hot Damn
