Witness

Xerath

The route of thousands
The exodus of sleep
Suspended DNA
The gifted, the intelligent, the powerful
Fleeing the giver of birthOur brightest flame grows too bright
The seas evaporate and land is scorched
Red giant brings its fist down
Unwavering, unflinching, eternal, perpetual change
Only a few choose to witness
Only a few are preparedTo witness to cataclysm of worldsTheir backs turn, the pass is erased
Truly there is no constant
The surviving race will have always been
One direction
Only futureThere is no way home
We're too far away, far gone
There is no, we have no way home
We're but far away light
Can never look back
Their backs turn, the pass is erased
Truly there is no constant
The surviving race will have always been
One direction
Only future
