

Vanilla Sex

Rancid

Don't ever take away from me my pornography
We obviously don't agree on what's obscene
I have the right to choose what I
Want to see and read Don't try to take away from me
My right to privacy what I
Do is no one's business but me So stay in your missionary position
I hope that you get bored to death
There's no way I'm going through life
Having vanilla sex The government's trying to get in
Your bedroom you better lock your
Door and close your shades because
There could be someone watching you today
