Wonderful Life (Mi Oh My)

Matoma

[Verse 1]
Mi oh my, when the light hits your smile
There's a fire that ignites at the bottom of my heart
Ooh mi oh my, if we open our eyes
I think we're both gonna find that it's a wonderful life[Chorus]
Mi oh my, it's a wonderful life
It's wonderful life with you by my side
Mi oh my, it's a wonderful life
It's wonderful life with you by my side
Mi oh my, it's a wonderful life
It's wonderful life with you by my side
Mi oh my, it's a wonderful life
It's wonderful life with you by my side[Verse 2]
All of our friends, feet in the sand
Beneath the stars it never ends
And we got no explanation cause there's no expectations
Just beautiful faces and nowhere to go[Chorus]
Mi oh my, it's a wonderful life
It's wonderful life with you by my side
Mi oh my, it's a wonderful life
It's wonderful life with you by my side
Mi oh my, it's a wonderful life
It's wonderful life with you by my side
Mi oh my, it's a wonderful life
It's wonderful life with you by my side
