

It's Rainin' Again

Tom Petty & The Heartbreakers

Well it's rainin' again, rainin' again
Roll up your window, honey, it's rainin' againIt's dark in the sky, dark in the sky
 Make me feel funny, honey, it's dark in the sky
 Rainin' againWell, it's rainin' again, rainin' again
Roll up your window, baby, it's rainin' againIt's dark in the sky, dark in the sky
 Make me feel funny, honey, it's dark in the sky
