

# Jungle Junction Theme Song

## Imitator Tots

Deep inside the jungle  
Far from anywhere  
There's a place that no one knows!  
But we can take you there!  
It's Jungle Junction  
It's Jungle Junction  
Jungle Junction  
Life is fast and friendly  
And everyone you meet  
Buzzer's ground on high speed roads  
With wheels instead of feet!  
At Jungle Junction  
At Jungle Junction  
Jungle Junction  
Now Zooter zooms around  
She keeps the jungle running right  
Ellyvan the elephant is ready day and night  
That fuzzy bunny Bungo  
Wants to know when you'll arrive  
So if you got the need for speed  
COME ON!  
Let's take a drive  
To Jungle Junction  
To Jungle junction  
Junction  
To Jungle Junction  
Jungle Junction
