

MI

Orphaned Land

Stare at the light
Eclipse the sun
Am I, am I the chosen one?
I feel naught but emptiness
Are you the father?
Am I your son?
Stare at the light
Praises I sang
Are they undone?
My eyes are blind
Shades of an eclipsed sun
Stare at the sun
I walk the surface of the sun
Stare at the light
Do not forsake
The orphaned one
Am I your son?
