

# What's Good for You

[Mandy Barnett](#)

My heart of hearts stay true to me  
Don't be swayed so easily  
I walk the line, come runnin' 'round  
Driving my love into the ground  
What's good for you ain't good for me  
Can't have this pain and misery  
Take me to heart or set me free  
'Cause what's good for you ain't good for me  
So baby please, make up your mind  
'Cause it hurts too much this time  
I can't go on with you this way  
It's time to go or time to stay  
'Cause what's good for you ain't good for me  
Can't have this pain and misery  
Take me to heart or set me free  
'Cause what's good for you ain't good for me
