All Over You

Jonathan Butler

(All over you)
I've been waiting oh so long, oh girl
(All over you)
Yeah, I'm so glad you're coming home, babyLying awake and I just can't shake
This incredible feeling inside me
Still on my mind after all this time
Memories of you still excite me
So glad you called to say you're coming home
So tonight is one night I won't be spending aloneI'm gonna be all over you
I'm gonna make up for the times we've been apart
I'm gonna be all over you
I'll be so good to you
You're so good to me, baby
Oh, darling
Got so much catching up to do
I can't wait 'cause I've been missing you
I'm gonna be ready, just wait and see
This time you're gonna get the best out of me
So take the fastest train that will bring you through
'Cause there's a whole lot of lovin' and it's long overdueI'm gonna be all over you, girl
I'm gonna make up for the times we've been apart
Baby, all over you
I'll be so good to you
You're so good to meAll over you, girl
I'm gonna make up for the times we've been apart, baby
I'm gonna be all over you
I'm gonna shower you with love
Straight from the heart
If there's such a thing as true love
Then, babe, this has got to be it
I still remember our walks through the park
Kissing in the dark, touching our heartSo take the fastest train that will bring you through
'Cause there's a whole lot of lovin' and it's long overdueI'm gonna be all over you, girl
I'm gonna make up for the times we've been apart
I'm gonna be all over you
I'm gonna shower you with love
Straight from the heart, sugar
I'm gonna be
I'm gonna be, gonna be, gonna be, good to you, baby(All over you)

I'll be so good to you
You're so good to me
I'm gonna be
Gonna be, gonna be, gonna be, good to you girl now
(All over you)
You're so good to me
I'll be so good to you
