May I

Trading Yesterday

There you stand, opened heart, open doors.
Full of life, with the world that's wanting more.
But I can see where the lies start to fade.
The day is done and your smile is gone away.
Let me raise you up.
And let me be your love.

May I hold you, as you fall to sleep?
When the world is closing in, and you can't breathe,
May I love you, may I be your shield?
When no one can be found, may I lay you down?

All I want is to keep you safe, from the cold.
To give you all that your heart needs the most.
Let me raise you up.
Let me be your love.

May I hold you, as you fall to sleep?
When the world is closing in, and you can't breathe,
May I love you, may I be your shield?
When no one can be found, may I lay you down?

All that's made me, is all worth trading
just to have one moment with you.
So I will let go, of all that I know
knowing that you're here with me.
For your love is changing me.

May I hold you, as you fall to sleep?
When the world is closing in, and you can't breathe,
May I love you, may I be your shield?
When no one can be found, may I lay you down?

May I?
