

Keep Us Together

Jessie J

It's cool if we ain't got every thing figured out
'Cause love ain't got all the answers baby
This mess we in, they don't ever really talk about it
But that don't mean we can't navigate itIt's unpredictable
But I feel so good about it
I'm not saying that we can climb it
Ain't no way to get around it
Take this open road
And I wanna get it right
We can't win if we don't try
And I'm scared I can't deny itWell if it ain't enough
We just gonna give up?
It ain't easy trying to stay in love
Are we gonna walk out?
When it rains
Tell me we got enough of our love to keep us together
Said we got enough of our love to keep us togetherArguments, back and forth, disagreements, yeah
Can we make it up, make it right, can we fix it? Hm
'Cause it ain't always gon' be perfect baby
It's gonna be crazy, we fight
I'm wrong, you're right,Â maybe, sometimesUnpredictable
But I feel so good about it
I'm not saying that we can climb it
Ain't no way to get around it
Take this open road
And I wanna get it right
We can't win if we don't try
And I'm scared I can't deny itWell if it ain't enough
We just gonna give up?
It ain't easy trying to stay in love
Are we gonna walk out?
When it rains tell me we got enough of our love to keep us together
Said we got enough of our love to keep us togetherSaid we got enough,Â said we got enoughÂ
Of our love, of our love
Said we got enough, said we got enough
Of our love, of our love
Said we got enough, said we got enough
Of our love, of our love
Said we got enough, said we got enough

Of our love Well if it ain't enough
We just gonna give up?
It ain't easy trying to stay in love
Are we gonna walk out?
When it rains tell me we got enough
Of our love to keep us together
Said we got enough of our love to keep us together Said we got enough
Of our love
To keep us
Uh uh together Said we got enough
Of our love
To keep us
Together uh
Together Together
Together
Together
