

Make It Shine (Victorious Theme)

Victoria Justice

Here I am once again
Feeling lost but now and then
I breathe it in to let it go
And you don't know where you are now
What it would come to
If only somebody could hear
When you figure out how
You're lost in the moment
You disappear You don't have to be afraid
To put your dream in action
You're never gonna fade
You'll be the main attraction
Not a fantasy, just remember me
When it turns out right 'Cause you know that if you live in
Your imagination
Tomorrow you'll
Be everybody's fascination
In my victory just remember me
When I make it shine Reaching high feeling low
I'm holding on and letting go
I like to shine I'll shine for you
And it's time to show the world how
It's a little bit closer
As long as I'm ready to go
All we have is right now
As long as you feel it inside you know You don't have to be afraid
To put your dream in action
Your never gonna fade
You'll be the main attraction
Not a fantasy just remember me
When it turns out right 'Cause you know that if you live in
Your imagination
Tomorrow you'll
Be everybody's fascination
In my victory just remember me
When I make it shine Everyone can tell you how
It's all been said and done
That harder times will change your mind
And make you wanna run

But you want it and you need it
Like you need to breathe the air
If they doubt you, just believe it
That's enough to get you there You don't have to be afraid
To put your dream in action
Your never gonna fade
You'll be the main attraction
Not a fantasy just remember me
When it turns out right 'Cause you know that if you live in
Your imagination
Tomorrow you'll
Be everybody's fascination
In my victory just remember me
When I make it shine
