I Will Wait For You

Linda Eder

If it takes forever I will wait for you
For a thousand summers I will wait for you
Till you're back beside me, till I'm holding you
Till I hear you sigh here in my armsAnywhere you wander, anywhere you go
Every day remember how I love you so
In your heart believe what in my heart I know
That forevermore I'll wait for youThe clock will tick away the hours one by one
Then the time will come when all the waiting's done
The time when you return and find me here and run
Straight to my waiting armsIf it takes forever I will wait for you
For a thousand summers I will wait for you
Till you're here beside me, till I'm touching you
And forevermore sharing your love
