Stay With Me

Breathe Electric

Stay with me
I remember a prison of all memories
And I`m drowning in tears
Come and help me please
Stay with me Stay with me
Baby when the lights go down
I was so crazy
All the time I made you cry.
You walked away and never said goodbye
On and on, on and on
I guess I lost you Now you are gone.
I tried to hide the pain,
But all I see is you
How can I do it ?!
I don`t have a clue.
On and on,on and on
I guess I lost now you are gone
I remember a prison of all memories
And I`m drowning in tears
Come and help me please
Stay with me Stay with me
Baby when the lights go down
I remember a voice
That was calling my name
And I know that someday
You will feel the same
Stay with me stay with me
Baby when the lights go down
I was so crazy
All the time I made you cry.

You walked away and never said goodbye
On and on, on and on
I guess I lost you Now you are gone.
I tried to hide the pain,
But all I see is you
How can I do it ?!
I don`t have a clue.
On and on,on and on
