Oh My Goodness

Brad

Oh my goodness
She's got a sexy walk, she's got a sexy talk uhh
make a player wanna change his ways, hot like fire
doing that thang
Oh my goodness
She's got a sexy walk, she's got a sexy talk uhh
make player wanna change his ways
come on come on girl do that thang
Now here's a little story that I know so well about a girl named hmm I better not tell
'cause she the one with the gloss on the lips
sipping soda pop making all the boys drip
Always new clothes new shoes making all them other girls jealous at school.
She's a hot girl and she knows it too.
nails just done looking uh uh uh
I think her daddy must be rich 'cause I've seen her at the mall spending all kinds of grip and all the teacher at school they say " I can't believe her momma let her dress that way"
(Chorus)
OhOh my goodness
She's got a sexy walk, she's got a sexy talk uhh
Mega player wanna change his ways, hot like fire
doing that thang
Oh my goodness
She's got a sexy walk, she's got a sexy talk uhh
Make a player wanna change his ways
come on come on girl do that thang
Two weeks ago a friend of mine told me all about this girl that was so so fly (so fly)
Baby tense hot genes and the bracelets dress code at my school she would break it
Got a pager and the cell phone too
color contacts with the sexy attitude
(she got it like that) She got it like that
Every homie at my block tried to rolled with that uhh
Oh my goodness she got it twisted like lolos on high dros lifted
She got the game with the capital G
But when I step to this honey yeah its off of me
(Chorus)

Oh my goodness
She's got a sexy walk, she's got a sexy talk uhh
Make player wanna change his ways, hot like fire

doing that thang
Oh my goodness
She's got a sexy walk, she's got a sexy talk uhh
Make player wanna change his ways
come on come on girl do that thang
Its like oh my goodness how do they do this? gotta playa dizzy with the move of the hips
The way you lick your lips girl your breaking me down now
your name must be Brandy 'Cause I wanna be down
The way you walk and talk lthe kind of go all loud
Cruising down the strip got the playes bugging out
Game recognize, game top large things
Cool thing about this your swinging my way uhh
(Chorus)
Oh my goodness
She's got a sexy walk, she's got a sexy talk uhh
Mega player wanna change his ways, hot like fire
doing that thang
Oh my goodness
She's got a sexy walk, she's got a sexy talk uhh
Mega player wanna change his ways
come on come on girl do that thang
Oh my goodness
she's got a sexy walk, she's got a sexy talk
Mega player wanna change his ways hot like fire doing that thang
