Let's Rock Tonight

L7

Let's rock tonight, let your hair down
Don't be so uptight
Come on let's rock and roll
You rocked my body now you're rocking my soulLet's rock, come on let's rockWell, are you ready to play
I've got my guitar and I'm ready, dont wait
Come on over and we'll really rock
The way you head bang puts me into a shockLet's rock, yeah, come on let's rockDon't be shy, yeah, you'd better cook
You smell the bait, now you swallow that hook
Now's the time, yeah, it's time to smoke
Go ahead and laugh and 'cause this ain't no jokeCome on, come on let's rock
Get off your ass and let's rock
