

# Let's Rock Tonight

L7

Let's rock tonight, let your hair down  
Don't be so uptight  
Come on let's rock and roll  
You rocked my body now you're rocking my soul  
Let's rock, come on let's rock  
Well, are you ready to play  
I've got my guitar and I'm ready, don't wait  
Come on over and we'll really rock  
The way you head bang puts me into a shock  
Let's rock, yeah, come on let's rock  
Don't be shy, yeah, you'd  
better cook  
You smell the bait, now you swallow that hook  
Now's the time, yeah, it's time to smoke  
Go ahead and laugh and 'cause this ain't no joke  
Come on, come on let's rock  
Get off your ass and let's rock
