Big Day

Tahiti 80

Come and get it, come and get it now
There's a big day waiting for you
Come and get it, come and get it now
Such a big day waiting for youIf you're willing just to take a chance
You gonna shine, shine on, my friend
Shine on, my friendYou were there up in my room
Didn't have a word to say
Suddenly you started to move
So I thought that must be a wayTo get a little closer to you
Ooh ooh ooh
Just to get a little closer to you
Ooh ooh oohCome and get it, come and get it now
There's a big day waiting for you
Come and get it, come and get it now
Such a big day waiting for youIf you're willing just to take a chance
You gonna shine, shine on, my friend
Shine on, my friendMaybe you got something to prove
I'll clear your doubts away
Nothing can happen too soon
Too late to think about it anywayJust to get a little closer to you
Ooh ooh ooh
Just to get a little closer to you
Ooh ooh oohCome and get it, come and get it now
There's a big day waiting for you
Come and get it, come and get it now
Such a big day waiting for youIf you're willing just to take a chance
You gonna shine, shine on, my friend
Shine on, my friendA new day is rising
I know exactly what I'm doing
I feel, I feel little things falling in today
(Such a big day)After all this waiting
(Such a big day)
I know, I know
(Such a big day)Come on there's a big day
(Such a big day)
Yeah, such a big day
Come and get it nowNow, now, now
Come and get it nowJust to get a little closer to you
Ooh ooh ooh

Just to get a little closer to you
Ooh ooh oohJust to get a little closer to you
Ooh ooh ooh
Just to get a little closer to you
Shine onCome and get it
Come and get it now
Come and get it
Come and get it nowCome and get it
Come and get it now
Come and get it
(Such a big day)
Come and get it nowCome and get it
Come and get it now
Come and get it
(Such a big day)
Come and get it nowJust to get a little closer to you
Such a big day
