

# Swing Down Chariot (Remastered)

## The Staple Singers

Why don't you swing down sweet chariot, stop and let me ride

Swing down chariot, stop and let me ride

Oh rock me lord, rock me lord

Calm and easy

I've got a home on the other side Why don't you swing down sweet chariot, stop and let me ride

Swing down chariot, stop and let me ride

Oh rock me lord, rock me lord

Calm and easy I've got a home on the other side Swing swing swing swing... Looked over yonder, what did I see?

Two white chariots, lord coming after me

Two white horses running side by side

Swing down sweet chariot, lord and let me try to ride Why don't you, swing down chariot, stop and let me ride

Swing down chariot, stop and let me ride

Oh rock me lord, rock me lord

Calm and easy I've got a home on the other side I met my mother this morning, coming up the hill so soon

Trying to get to heaven in due time, 'fore the heaven doors close

Trying to get to heaven in due time, 'fore the heaven doors close Wake me, shake me, don't let me sleep too late

Wake up, judgement in the morning, swing on the golden gate

Wake up, judgement in the morning, swing on the golden gate Wake me, shake me, don't let me sleep too late

Trying to get to heaven in due time, 'fore the heaven doors close

Trying to get to heaven in due time, 'fore the heaven doors close Don't you know that I'm bound I'm bound for  
higher ground

I'm seeking the golden crown

Can't remain on this earthly plane I'm bound for higher ground

I'm bound, I'm bound for higher ground

I'm seeking, I'm seeking the golden crown

Can't remain on this earthly plane, I'm bound for higher ground
