# Try

## Hayden Panettiere

Yeah, yeahYou scale, you fall
Sometimes it seems impossible
But your hopes and dreams
Are closer than they seemWhy not give yourself a chance, nothing's gonna hold you back
Everything you want is right there waiting
What you wanna do? Gotta have some faith in you
Don't you know that you can have it all?If you try and you just believe
You can, you will
Reach inside, don't be scared to dream
You never know until, until you try, just tryYour fears and doubts
They find a way to break it down
But it's not the end
You can ride back up againWhy not give yourself a chance, nothing's gonna hold you back
Everything you want is right there waiting
What you wanna do? Gotta have some faith in you
Don't you know that you can have it all?If you try and you just believe
You can, you will
Reach inside, don't be scared to dream
You never know until, you tryWhat's the matter with believing
That you can do anything?
Take control and make the future
What you want it to be and that's when you'll seeIf you try and you just believe
You can, you will
Reach inside, don't be scared to dream
You never know untilUntil you try and you just believe
You can, you will
Reach inside, dreams are possible
Never know until you tryNo, no, no, just try, try
