

Mr Disco (2015 Remastered Version)

New Order

How can I ever forget you
You don't know just what I've been through
The holiday we spent together
Lives with me now and forever.I tried but I can't find you
Tell me now what do I do
I tried but I can't find you
Tell me now what do I do.I can't find my piece of mind
Because I need you with me all of the time
I used to think about you night and day
I used to feel what language cannot say
Oh I can't find you
No I can't find my piece of mind without you.Maybe you'd write me a letter
And tell me why I never met you
Our rendezvous just ended in sorrow
Without you there's no tomorrow.I tried but I can't find you
Tell me now what do I do
I tried but I can't find you
Tell me now what do I do.I can't find my piece of mind
Because I need you with me all of the time
I used to think about you night and day
I didn't care what other people would sayOh I can't find you
No I can't find my piece of mind without you.
I can't find my piece of mind
Because I need you with me all of the timeI used to think about you night and day
I used to feel what language cannot say
Oh I can't find you
No I can't find my piece of mind without you.Ibiza, Majorca, and Benidorm too
I've searched all these places but never found you.
