Keeper

RatTail

I've been laying low, taking it slow
Put the game in the side
What's there to hide
Tell me that you need me
Tell I'm a keeper
Tell me something I don't know
Think before you say it
Say it if you mean it
Mean it because it doesn't show
What a pleasant surprise
A sight for sad eyes
Where the hell have you been?
Why did you go (home)
Tell me that you need me
Tell I'm a keeper
Tell me something I don't know
Think before you say it
Say it if you mean it
Mean it because it doesn't show

Tell me that you need me
Tell I'm a keeper
Tell me something I don't know
Think before you say it
Say it if you mean it
Mean it because it doesn't show
Oh, I try, yeah I try
Try to scratch you out of my mind
But my mind
But my mind is made up and it just won't let it go
I've got to know
I've got to know
I need to know
Go ahead, I dare you
Tell me
Tell me that you need me
Tell I'm a keeper
Tell me something I don't know
Think before you say it

Say it if you mean it
Mean it because it doesn't show
