

# Hiya

## Cheikh Sidi BÃ©mol

Hiya, hiya, hiya, hi  
Don't be so jaded  
I'm quite sincere  
Though we may differ  
You'll be right here  
Top of the heap  
Kings of all we survey  
The last thing's a clinker  
Who says it's not?  
Just try your best  
It's all that we've got  
It's all that we've got  
Hiya  
Hiya, hi  
Hiya  
Hiya, hi  
Hiya  
Hiya, hi  
Hiya  
Hiya, hi
