Nobody

Danny Fernandes

I Know You See Me In Your Magazines
Even On Your TV Screen
Without My Somebody I'm A Nobody
Without My Somebody I'm A Nobody
Everybody Knows Who You Are
Feeling Like A Superstar
Without Your Somebody Your A Nobody
Without Your Somebody Your A Nobody
No Matter Where You Been Or
Who You Think You Are Superstar
Been Around The Globe But
Nothing Comes Close To You
I'm Talking 'Bout You
I hear 'Em Talking 'Bout Their
Jewelry, Cars, Louis Vitton
Babygirl I Got It All
But It Don't Mean Nothing Without You
I'm Talking Bout You
Pause, Please Take A Second And Proceed
And Baby All I Need Is You
I'm Talking Bout You
Yeah
I Know You See Me In Your Magazines
(Even On Your TV Screen)
Without My Somebody I'm A Nobody
Without My Somebody I'm A Nobody
Everybody Knows Who You Are
(Everybody Knows You)
Feeling Like A Superstar
(Feeling Like A Star)

Without Your Somebody Your A Nobody
Without Your Somebody Your A Nobody
(I'm A Nobody, Yeah)
I Know You Feel Alone 'Cause I'm Hardly Home
On The Road But Baby
What I Do, I Only Do It For You
I'm Talking 'Bout You
Sometimes I Know The Distance Hurts

All This Work, Before It All I Put You First
On This Earth, There Is Nobody That's Like You
I'm Talking 'Bout You
Pause, Please Take A Second And Proceed
And Baby All I Need Is You
I'm Talking Bout You
Yeah
I Know You See Me In Your Magazines
(I Know You See Me, See Me)
Even On Your TV Screen
(I Know You See Me Everyday)
Without My Somebody I'm A Nobody
(Always In Your Face)
Without My Somebody I'm A Nobody
(But You Know Girl)
Everybody Knows Who You Are
(Who You Are Girl)
Feeling Like A Superstar
(Feeling Like A Superstar, A Star)
Without Your Somebody Your A Nobody
Without Your Somebody Your A Nobody
(I'm A Nobody, Yeah)
