

# Believe (Phat 'n' Phunky Club Mix)

Cher

No matter how hard I try  
You keep pushing me aside  
And I can't break through  
There's no talking to you  
It's so sad that you're leaving  
It takes time to believe it  
But after all is said and done  
You're gonna be the lonely one  
Do you believe in life after love  
I can feel something inside me say  
I really don't think you're strong enough  
Do you believe in life after love  
I can feel something inside me say  
I really don't think you're strong enough  
What am I supposed to do  
Sit around and wait for you  
Well I can't do that  
And there's no turning back  
I need time to move on  
I need a love to feel strong  
Cause I've got time to think it through  
And maybe I'm too good for you  
Do you believe in life after love  
I can feel something inside me say  
I really don't think you're strong enough  
Do you believe in life after love  
I can feel something inside me say  
I really don't think you're strong enough  
Well I know that I'll get through this  
'Cause I know that I am strong  
I don't need you anymore  
I don't need you anymore  
I don't need you anymore  
No I don't need you anymore  
Do you believe in life after love  
I can feel something inside me say  
I really don't think you're strong enough  
Do you believe in life after love  
I can feel something inside me say  
I really don't think you're strong enough  
Do you believe in life after love  
I can feel something inside me say  
I really don't think you're strong enough  
Do you believe in life after love

I can feel something inside me say  
I really don't think you're strong enough
