B. Line

Lamb

Ba da, ba da, ba da, ba da
Ba da, ba da, ba da, ba daIt's in your eyes
And the way you move
You got music in your stepA kind of glow
Like you walk with the heat turned up
So brightly aboveSuddenly I see
I go ba da, ba da, ba da, ba da, ba da, ba da
Every time you walk in the roomNo escape for me
I go ba da, ba da, ba da, ba da, ba da, ba da
Every time you're close to meIf I could just compose myself
I'd radiate just the right amount of cool and heat
So you'd never know how I tremble to touch youSuddenly I see
I go ba da, ba da, ba da, ba da, ba da, ba da
Every time you walk in the roomNo escape for me
I go ba da, ba da, ba da, ba da, ba da, ba da
Every time you're close to meBa da, ba da, ba da, ba da
Ba da, ba da, ba da, ba da
Ba da, ba da, ba da, ba da
Ba da, ba da, ba da, ba daSuddenly I see
I go ba da, ba da, ba da, ba da, ba da, ba da
Every time you walk in the roomNo escape for me
I go ba da, ba da, ba da, ba da, ba da, ba da
Every time you're close to me
