

Southern Star

Alabama

Oh southern star how I wish you would shine
And show me the way to get home Well I'm blue-collar branded and stuck in a mill
Hard work is a way of life for me
Well I'm too young to live like I'm over the hill
And too old to be wild and free My heart is homeward bound
I'm rolling with the feeling and I can't slow down
I need a guiding light
Shining down to lead me through the night Oh southern star how I wish you would shine
And show me the way to get home Oh, hey my D.J. friend, would you play me one more song
And let my mind just go and drift away
Now we all have a dream and a place where we belong
Somewhere we can go and escape My heart is homeward bound
I'm rolling with the feeling and I can't slow down
I need a guiding light
Shining down to lead me through the night Oh southern star how I wish you would shine
And show me the way to get home Oh southern star how I wish you would shine
And show me the way to get home
