

# Big Daddy (feat. Meek Mill)

Nicki Minaj

[Intro: Meek Mill]

You hear that right there?  
That sound like, but that 300 thousand nigga  
I'm triple OG in my hood  
These hoes call me big daddy

[Hook: Meek Mill]

Your bitch call me big daddy  
Tell that bitch that I'm big daddy  
When I hit the lot I don't get the little bitch  
Nigga I go and get the big daddy  
Pick a bitch up in the big daddy  
Big face Rollie that's a big daddy  
Got your bitch calling me big daddy  
When I pull up all the hoes like big daddy  
Nigga I'm big daddy

[Verse 1: Meek Mill]

Standin' on the corner in some shit that look like I payed like a million for  
Blowin' the money I heard that they askin' around town what he really worth  
Most of these niggas be really broke I went the Hardaway boy had a penny first  
Now these bitches gon' get this work  
I tell her keep on them heels and that mini skirt  
She Google my net worth, lookin' like "what is his neck worth?"  
My shooters, they shoot at your head, like the rim just to see if the net work  
I land in Miami then fly out to Cali with some of my best work  
You niggas so lame that my bitches won't fuck unless you cut a check first

[Hook: Meek Mill]

[Verse 2: Nicki Minaj]

Pulled up in something that look like a million, nigga put me up on  
Ain't gotta sell it, but he say the pussy a drug that he re-up on  
Spur of the moment I ball like Ginobili you bitches get D'ed up on  
You mad at me go get mad at your nigga 'fore I put my sneakers on  
He cop me this wrist game, now its just us at the Knicks game  
I might have to take him on tour just to fuck in Australia, Brisbane  
Your time is ticking you bitches will be around shorter than Vine vids  
You watch your mouth or my niggas will shoot up the club like what Shyne did

[Hook: Meek Mill]

[Verse 3: Nicki Minaj]

You bitches ain't stupid, you bitches ain't stupid

You bitches ain't stupid, is you?

Front like she tough but that bitch keep on crying

Get this bitch a tissue

For what it's worth when I took him I could tell he would never miss you

I ain't even wanna diss you, but tell me what is this bitch issue?

[Bridge: Nicki Minaj]

Still on top, pretty bitch gang

Pussy still tight, pistol still bang

Yo nigga call me big mama

Let him eat the pussy then I dip on him

[Hook: Meek Mill]
