Red House

Shudder To Think

There's a red house road
And lies beyond it
Something like a chicken coup
Not sure though
I go overdose
And the ghost of my brain
Goes to yours
And something comes quite clearSmoke is her name but she'll grow
Can't stop the rain nor the snow, noAm I talking 'bout
The medicine, the legal thing
You eat when you are sick
Am I falling out
Of sight design beyond the red house road
I move too quickShe's got real big bones
And a gorgeous home
And between her, um
And me there's something quite good I loveSmoke is her name but she'll grow
Can't stop the rain nor the snow
I dream, dream, dream
But don't look
Look, look, look, no I
Dream, dream, dream
But don't look
Love, love, loveShe's a buzzing bee
She's a person see
Between you and me
Someone I want bad
But can't have
I'm an overgrown
Little wanting boy
She's my only joy
And covers come between us to clearSmoke is her name but she'll grow
Can't stop the rain nor the snow
I dream, dream, dream
But don't look
Look, look, look, no I
Dream, dream, dream
But don't look
Look, look, look, no I

Mmm... don't grow
