Babyfather

Nah, who you reppin' though?
Like who you really reppin' though?
'Cause man can't be reppin' three cliques at once
You know them ones?
Like, man's saying, "big up this lot"
"Big up that lot and them lot"
And it's like, nah like
I know them man and them man are beefin'
So you can't even be saying that, like
"Big up" all these three cliques
Like, who you really reppin' though?
Get me?
Big up them, big up them, big up them
Like, nah fam
Who are you really reppin' though?
