

# Strap It On

## Anthrax

And my plate is full  
And I feel the pull  
And my time is spent  
Searching for something that came and went  
Take me back  
Take me back to a golden time  
From '75 to '79  
And it makes it easy, so easy for me  
Strap it on  
Strap it on my old school

I change by staying the same (I seem to remember this line)

And it grows inside  
Metastasize  
And my brain goes crazy  
Sepia toned days are hazy  
Take me back  
Take me back to the heavy time  
From '85 to '89  
It makes it easy so easy for me
