Advisory - the following lyrics contain explicit language:

One last kiss before they cart me away and
Just take one last look before my body decays
This is my last night on earth
My fucking hellAll my life, all I've wanted to say
This is love, love, love while the symphony plays
Here in death I would cut my breath just to stayI'll never love again
Take the vision awayBeautiful, beautiful
I'm a loser alive
On a suicide mission to dieBeautiful, beautiful
I'm a loser inside, suicide
You're beautiful, yeah
I'm a suicideFuck, fuck, fuck, I wanna fuck till we bleed and
There's a time crunch, baby, I don't want to believe
This is my last night on earth
My fucking hell
