Prom

SZA

Fearing not growing up
Keeping me up at night
Am I doing enough?
Feel like I'm wasting timePromise to get a little
Better as I get older
And you're so patient
And sick of waiting
Promise to do better
Shoulda coulda
Prolly wanna let me go
But you can't, oh
Right now I feel it pouring
I need a little bit
Just a little bit
Just a little bit
Right now I feel it pouring
I need a little bit
Just a little bit
Just a little bit
Please don't take it, don't take it personal
Like I know you usually do
Please don't take it, don't take it personal
Like I know you usually do
Please, please
Don't take it personal
Don't take it personal
Darling, like I know you willForget to call your mama on the weekend
You should put yourself in time out
Shame, shame on you
But lately you've been feeling so good
I forget my future, never pull out
Shame, shame on me
Baby the money'll make it easier for me
To run and hide out somewhere
So far away
Hopping through poppy fields
Dodging evil witches
These houses keep dropping everywhere
Promise to get a little

Better as I get older
And you're so patient
And sick of waiting
Promise to do better
Shoulda coulda
Prolly wanna let me go
But you can't, oh
Right now I feel it pouring
I need a little bit
Just a little bit
Just a little bit
Right now it's really pouring
I need a little bit
Just a little bit
Just a little bitPlease don't take it, don't take it personal
Like I know you usually do
Please don't take it, take it personal
Like I know you usually doLike winters fall on us, heavy
Take it off me, all it off
Winter, I can't stand this
Snow is falling all on me
