He's into that, that spiritual stuffMy brother's into, my brother's intoHe's into that, that spiritual stuff

He's into that, that spiritual stuff

He's into that, that spiritual stuff

It's serious, manHe's into that, that spiritual stuff

He's into that, that spiritual stuff

He's into that, that spiritual stuff

It's serious, manI seen a movie on it

He's into that, that spiritual stuffCome around my way, toast the angels

He don't do what it's from, that ain't rightHe's into that, that spiritual stuff

He's into that, that spiritual stuff

He's into that, that spiritual stuff

It's serious, manHe's into that, that spiritual stuff

He's into that, that spiritual stuff

He's into that, that spiritual stuff

It's serious, manI seen a movie on it

He's into that, that spiritual stuffCome around my way, toast the angels

He don't do what it from, that ain't rightCome around my way, toast the angels

He don't do what it from, that ain't right

He don't do what it from and that ain't rightSo come around my way, toast the angels

He don't do what it from, that ain't right

He don't do what it from and that ain't right
