Mistletoe

Lucy Hale

The snow's piled up outside the door
the weather man says it's best to stay inside tonight
the mercury's falling
street lights are shivering
you know to let you go wouldn't be right.It's the last week of December,
so let's wait out this snow together.If the power goes out, I got some candles in the drawer
if the heat goes down, I'll build a fire to keep us warm
I thought, I thought of everything I'd need
Oh I just hope we don't run out of mistletoe oh, oh oh oh
oh whoa oh oh oh
oh, oh, ohthe tinsel tree is shining bright
and you look good in those twinkling lightsWhite Christmas playing, Bing Crosby singing
you know to let you go wouldn't be right.this year I might get my wish
cause there's only one thing on my listif the pipes they freeze, I'll open a bottle of wine
and if we can't leave, we'll need a way to pass the time
I thought, I thought of everything I'd need
Oh I just hope we don't run out of mistletoe oh, oh oh oh
oh whoa oh oh oh
oh, oh, ohif the power goes out...
if the heat goes down, I'll build a fire to keep us warm
if the pipes they freeze, I'll open a bottle of wine
and if we can't leave, we'll need a way to pass the time
I thought, I thought of everything I'd need
Oh I just hope we don't run out of mistletoe oh, oh oh oh
oh whoa oh oh oh
oh, oh, oh
oh, oh, oh
oh, oh, oh.
