

Light of the World (feat. Matt Redman)

[Chris Tomlin](#)

Oh Jesus, son of God, so full of grace and truth
The Father's saving word, so wonderful are You
The angels longed to see and prophets searched to find
The glory we have seen revealed You shone upon the Earth but who will understand?
You came unto Your own but who will recognize?
Your birth was prophesied, for You were the Messiah
Who came and walked upon the Earth Your glory we have seen, the one and only King
And now You're living in our hearts Light of the world, light of the world
Light of the world, You shine upon us
Light of the world, light of the world
Light of the world, You shine upon us In You all things were made and nothing without You
In Heaven and on Earth all things are held in You
And yet You became flesh, living as one of us
Under the shadow of the cross Where, through the blood You shed
You have made peace again
Peace for the world that God so loves Light of the world, light of the world
Light of the world, You shine upon us
Light of the world, light of the world
Light of the world, You shine upon us Light of the world, light of the world
Light of the world, You shine upon us
Light of the world, light of the world
Light of the world, You shine upon us And yet You became flesh, living as one of us
Under the shadow of the cross Where, through the blood you shed
You have made peace again
Peace for the world that God so loves Light of the world, light of the world
Light of the world, You shine upon us
Light of the world, light of the world
Light of the world, You shine upon us Light of the world, light of the world
Light of the world, You shine upon us
Light of the world, light of the world
Light of the world, You shine upon us Light of the world, light of the world
Light of the world, You shine upon us
