Faithful

Justin Burke

Packing up my bags and I'll hit the road
Wherever you lead me that's where I'll go
You'll always be by my side I'll follow

When the waters rise we'll find the shore
Holding on tight I'll never give up hope
I'll trust in you to be my guide I'll follow

I can't look away I will always stay
I won't ever let you go feel it in my soul
I don't ever want to live a single moment without you
Forever I'll be
Faithful
Faithful
I'll be Faithful
Faithful
I'll be Faithful
Faithful to you,you

When worries in my head keep me awake
You'll always there to rock my heart to sleep
I find peace in the promises of your truth

You brighten up my darkest days
Your love will never fade away
Forever you'll be in my heart and I will always love you

I can't look away I will always stay
I won't ever let you go feel it in my soul
I don't ever want to live a single moment without you
Forever I'll be
Faithful
Faithful
I'll be Faithful
Faithful
I'll be Faithful
Faithfull to you,you

I don't wanna gain the world be lose you
After everything that we've been through
I will stay faithful
Faithful to you x2

I can't look away I will always stay
I won't ever let you go feel it in my soul
I don't ever want to live a single moment without you
Forever I'll be
Faithful
Faithful
I'll be Faithful
Faithful
I'll be Faithful
Faithfull to you,you
