

Six Years

The Eyeliners

I'd like to say I've
weathered my stay
On the beach at the
park - that's my
place
To eat with my dime
that I begged from
some rich old slime I'd like to say it's
alright
Everything's OK
But it's worth it all
just to let you know
I won't take it anyway I'm sorry for all
the fights, you know
I hate to say you're
right
This battle's beaten
me so
I'd come if you'd
take me back
All I know is I want
to come home
It's so hard to tell
you so I'd like to say I've
weathered my stay
But it's getting late
and I can't play
Looks like it's time
for goodbye
But I won't cry and
that's no lie
Like to say it's alright
You know it'll be OK
But it was worth it
all to let you know I
won't take it anyway
