Darkside

Unwritten Law

Won't you come with me
Let's go to a little place I know
It's to the west and we are all red eyed
It's where it rage kings all night in the darkside, ya
So just trust in me
Take my hand and let me lead the way
Don't brake 'cuz what there payin' goes
On and on and on
And I want what's mine
There no place to run so take your time
Well I, I got just what you're needing
Right up in newel in right in front of
You're coming down just call on my name
Call my name
You're comin' down just call on my name
Just call my name
And look into these eyes
No need and wonderin' why
Don't slip this trip to the darkside
Don't slip this trip
Don't slip this trip

Don't slip this trip
Don't slip this trip
Just trust in me
Take my hand and let me lead the way
Don't brake 'cuz what there payin' goes
On and on and I can see you fuck up
You're comin' down just call on my name
Just call my name
You're comin' down just call on my name
Just call my name
And look in to these eyes
No need and wonderin' why
Don't slip this trip to the darkside
Don't slip this trip
Mess with the dark side
Don't slip this trip
Mess with the darkside

Don't slip this trip
Mess with the darkside
Don't slip this trip
