

# Cut Me Deep

[Shakira](#)

Why do you say things if you do not mean them?  
Why do you fill up my wounds with your dirt?  
Bullets of fire, this time I can't shield them  
Santa Maria, I know how it hurts 'Cause you cut me deep  
Your words are like steel  
And now I can't sleep  
'Cause I'll never heal Why do you make me believe we are spirits?  
Mourning together to conquer this earth (mourning together)  
Climb up the mountains, so high we can see them  
Then send me to plummet with savaging words 'Cause you cut me deep  
Your words are like steel  
And now I can't sleep  
'Cause I'll never heal I am covered in scars  
Like a rose without thorns  
My defenses are gone  
No one's out there to warn  
If there's love in your heart  
Let me leave now in peace  
You know you took it too far 'Cause you cut me deep  
Your words are like steel  
And now I can't sleep  
'Cause I'll never heal You cut me deep, you cut me so deep  
You cut me deep, you cut me so deep  
You cut me deep, you cut me so deep  
You cut me deep, you cut me so, so, so, so You cut me deep, you cut me so deep yeah  
You cut me deep you cut me so
