Surrender

Entwine

I'm on my way
I'm on my way to lose it all
I'm a stranger to myself,I can't go on
I'm all outta space
And I'm surrounded by the wall
I believe that my mind has caught a million stormsFalling down
When you lose all that you areI surrender...
I kneal downI'm outta faith
I think I'm a frail design of life
Deep inside in denial
The shades have grown in silence
I hide my face
I close my eye's
Deep inside in my mind
The pain has grown around meFalling down
When you lose all that you areI surrender...
I kneal down
I'm dying to find a reason to hold on
